Priority One Calls for Service
September2026

Response Time

In several incident types, multiple outliers affected the overall response time. Several common causes of these deviations are;

1. **Responding officer not marked or does not transmit "on scene".**
2. **Officers delay their direct response to check the area around the location for suspects or victims known to have fled the scene.**
3. **Incidents are downgraded after entry but before dispatch.**

Row Labels	Distinct Call Count	Response Time
